

for cold winter days, and cold winter nights...

SKLADOVA TEHNIKA

A MANUFACTURER WITH NEARLY A CENTURY OF HISTORY

...and known as one of the strongest fireplace manufacturers in Europe and across the globe for more than 20 years! Our years of experience, hard work, responsibility, personal care, and a lot of love – this is where our strength lies and what gains our customer's trust! This is what lets us progress forward!

FUOCO

UYUT LUX

COMFORT ANYTIME

**There are some things that endure, even for thousands of years.
The atmosphere and mery mood created by a warm fire is one of those things.
Let yourself be wrapped in the cozy warmth of a DIPLOMAT, forget your stress and leave your day behind.**

DIPLOMAT 21

DIPLOMAT 11 inox

The straight lines of a DIPLOMAT, combined with the fire in the panoramic shape of the fireplace create a nostalgic accent in the modern home, and satisfy all criterias for efficiency and quality of life.

PARTICULAR INDIVIDUALITY AND UNIQUENESS

When the days and nights begin getting colder, MARS will warm up your life with a compact and handsome design that harmonizes with all surroundings.

For many people there's nothing like the look, smell, and feel of a wood-burning fireplace. Now, thanks to over a decade of research and development, a wood-burning fireplace can offer you much more than just a cozy atmosphere. Its ability to soothe the soul while generating a deep penetrating and relaxing warmth within your home is unrivaled by any other hearth product.
